

## *2010 Spring Fling*

On May 18, 23 members (\* see below) travelled to Cornwall for this year's Spring Fling, which was held at the Best Western Motel. 'Twas an excellent affair with musical entertainment after the meal provided by The Brigadoons. Several of our group came home with door prizes, each presented to the accompaniment of raucous cheers from the rest of the group. Thanks to Stu Rogers for the photographic evidence – we'll try to get pix of everyone next year.
